2009
WINNERS

Well Done!

IPG congratulates the winners of In-Print 2009.

WE RECEIVED 420 entries this year for In-Print 2009, the only printing contest exclusively for in-plants. Sponsored by both IPG and the In-plant Printing and Mailing Association (IPMA), In-Print was judged again this year in the Salt Lake City offices of the Church of Jesus Christ of Latter-day Saints' Printing Division. Our six judges picked 75 winners, including 34 Gold awards, 27 Silver and 14 Bronze. Among the big winners were the University of Oklahoma (11 awards) and the University of North Texas (10 awards).

Prizes will be awarded this month during a ceremony at the IPMA conference, in Rochester, N.Y. The Best of Show winner will also be revealed there. Find out who it is in our July issue.
